

## Privacy Policy

We at the National Parkinson Foundation Heartland Chapter (NPFH) are committed to respecting the privacy of our website visitors. This page describes our privacy policy regarding the information we collect from you during your visit to our site, how we may use it, and how we will protect the information which you choose to provide us.

### ***Personally Identifiable Information***

NPFH does not require that you provide personally identifiable information in order to use our website. Personally identifiable information includes your name, address, zip code and telephone number, e-mail address and any other information which might be used to identify you individually. You may provide personally identifiable information to us while using the site in these situations: (1) while making a donation, (2) when ordering resources, and (3) while communicating with the foundation. If you decide to support the activities of NPFH by making a tax deductible contribution with a credit card, we will collect the information needed to complete the transaction. If you order resources, we will collect the information needed to complete the transaction. If you contact NPFH, we will collect the information necessary to respond to you and also will receive any information you disclose in your message. In every case, we will take reasonable precautions to prevent your personal information from being intercepted by any third party using standard web techniques including encryption and firewalls to protect the data. In these cases, when NPFH receives personally identifiable information, we may use it for reasonable purposes. For example, we may use this information to contact you to provide you with information we believe may be of interest. It may also be used for compiling data and analyses to understand and serve your needs. Data is also compiled to evaluate how well we are doing at accomplishing our mission.

Personally identifiable information will never be sold, rented or exchanged outside of NPF and its vendors bound by non-disclosure agreements unless the user is first notified and expressly consents to such transfer.

### ***Use of Cookies***

Like most websites, NPFH's website may store information on your computer in a small file called a "cookie." These cookies never store personally identifiable information and do not compromise your privacy. Cookies are used exclusively to improve the user experience by providing continuity in your browsing the site.

## Other Terms and Conditions

### ***Links To Other Sites***

As a resource to our visitors NPFH may provide links to other websites. We try to carefully choose websites which we believe are useful and meet our high standards for the accuracy and utility of information. However, because website design and content can change so quickly we cannot guarantee the standards of every website to which we link. Likewise, we are not

responsible for the content of any non-NPFH site. We also cannot guarantee the privacy policies of these other sites and suggest you check the privacy policies of those sites directly.

### ***Non-NPF Products and Resources***

Any reference to a commercial or noncommercial product, process, service or company is not an endorsement or recommendation by the National Parkinson Foundation Heartland Chapter. NPFH does not endorse or recommend products, services or manufacturers. NPFH assumes no liability whatsoever for the use or contents of any product or service mentioned.

### ***Communications from NPFH***

If you wish to stop receiving any e-mail or other communications from NPFH or if you have submitted personally identifiable information through a NPFH website and would like to have that information deleted, please notify us and it will be done promptly. Email [info@parkinsonheartland.org](mailto:info@parkinsonheartland.org) or call 913.341.8828 to contact NPFH.

### ***Security***

NPFH takes data security seriously. Information collected by NPFH (besides that which you may submit in the forums) is stored behind a firewall and protected using secure encryption technologies. While no security steps can offer 100 percent protection we utilize state-of-the-art, industry-standard protocols to prevent unauthorized access to the information we hold. We will limit access to personal information to those NPFH personnel with a need to know it. We educate our staff about their duty to protect your privacy.

### ***Changes***

NPFH reserves the right to make changes to this policy without notice. Any changes to this privacy policy will be reflected in changes on this page. Please check this privacy page periodically to review any changes that may have been made.

### ***Contact Us***

If you have specific questions or concerns about the Foundation's privacy policy, please contact us at the following address:

8900 State Line Road, Suite 320

Leawood, KS 66206
